## TESTIMONIALS

“What a fabulous time we had at Meadowmere!! Your staff was just wonderful. Several of the ladies in our group commented on how helpful and nice the staff was! The rooms worked out great! And everything at Jonathan's was just superb! Thanks so very much for all that you did to help our program run so smoothly and be so terrific!” – Bonnie White, Mary Kay Fall Festival

“Thank you for everything you did to coordinate our outing. And, I wanted to let you know how extremely helpful everyone was – just did everything we needed whenever we needed it. It was great that they were flexible. Again, thank you – it was a great job.”
